PROFILE

Highly motivated Graphic Designer,3D generalist,Editor with a passion for bringing ideas to life through animation, modeling, and captivating visuals. Proficient in Maya, 3Ds Max, Photoshop , Premier pro and Illustrator, I tackle diverse projects with enthusiasm and a commitment to mastering new skills. A strong team player with a keen eye for detail, I thrive in collaborative environments, fostering creativity while exceeding expectations in every stage, from brainstorming to meticulous 3D modeling and texturing. Beyond technical expertise, I bring a knack for social media management, ensuring your creations captivate audiences across platforms.

WORK EXPERIENCE

IDFC First Bank

Social Media Marketing

Cultivated a vibrant online community for IDFC FIRST Bank, fostering customer relationships through social media

ITC ltd

Social Media Marketing

Managed successful social media campaigns for ITC Ltd. , achieving key marketing objectives

Mahindra Rise

Social Media Marketing

Leveraged social media to generate leads and drive brand awareness for Mahindra Rise

Freelancing

2 Years

Thriving as a freelance creative, I've helped brands like Antariksha Labs, Solix, Bearing Connect, and Swirl Music flourish through strategic branding and engaging social media campaigns. My creative spark extends beyond digital; I've also collaborated with film industry actors on captivating short films and documentaries.
